

RESERVA

varieties: *90% Tinta del País, 10% Cabernet Sauvignon*

color: *Intense cherry red. It still shows violet tones, although slate hues may now be observed.*

nose: *Very intense and complex wine. It has undertones of roasts, leather, nuts (raisins and figs). It also has balsamy hints.*

mouth: *This is a wine with body, well structured, potent, tannic and long-lasting; with a long finish which recalls the notes of leather and roasts. This wine is expected to have a long life.*

gastronomy: *Meat and game stews, cold meats and cured cheeses.*

serving temperature: *16 °C to 18 °C.*
